Dear friends of the Running Target,

the Internet League goes in the next round.

Again in 2015, 4 competitions will be offered.

Also a team competition, we included in the program.

Participation is of course still free of charge and is open to all shooters who are registered in a shooting club or national association.

There is no need for a separate registration. The registration is done automatically by the sending of the first results.

After the 4 competitions are finished, we will send certificates to all the winners of the different classes.

The results will be published on: www.rt.issempa.at

For sending your results, please use the form which you find at: rt.issempa@web.de
