Linz, 27.07.2013

Dear friends of the Running Target,

the Internet League goes in the next round.

Again in 2014, 4 competitions will be offered. 2 of them will be shoot before the European Championship and 2 before the World Championship.

Also a team competition, we included in the program.

Participation is of course still free of charge and is open to all shooters who are registered in a shooting club or national association.

There is no need for a separate registration. The registration is done automatically by the sending of the first results.

After the 4 competitions are finished, we will send certificates to all the winners of the different classes.

The results will be published on: [www.rt.issempa.at](http://www.rt.issempa.at)
